

# SERVICE RATES

## Printer Repairs and Servicing

The following pricing is based on a basic service, which consists of a blow-out, clean and calibration. Spare parts required for a repair is quoted extra.

Workshop Repairs: **R275.00 (excl. VAT) per hour or part thereof**  
Onsite printer repair, at your premises: **R375.00 (excl. VAT) 1st hour or part thereof**  
For every hour thereafter, or part thereof: **R275.00 (excl. VAT)**

The above-mentioned rates apply to most Laserjet printers, but exclude MFP's, Copiers and Plotters.

We offer **FREE** collection and delivery within a 50km radius of our office in Plumstead. Beyond the 50km radius, a fee of **R3.50 excl. VAT** per km will apply.

## LCD Monitor Repairs

These are done in our workshop only. LCD / LED screen repairs require board-level attention, which requires precision tools, is best done in a controlled environment.

*Monitor Workshop Repairs:*

Up to 21 inch LCD/LED screen size: **R395.00 excl. VAT** (anything larger will be extra)

## PC's and Notebook Repairs / Upgrades

Rates for the repairs of PC's and Notebooks vary on the nature of the fault. Basic upgrades carried out to the client's specifications, are charged at our flat rate of **R275 / hour**, or part thereof. For an accurate quote on the repair of PC's or laptops, the best solution would be for you to bring it in to the workshop for thorough diagnosis.

For all other electronic devices, such as scanners, UPS's, slip printers, multi-functionals, etc, please give us a call or send us an email, and we'll gladly assist you.
